

SBNA Annual Picnic

Sunday, June 1st, Noon - 3pm

Lois Barton Park (SBNA Neighborhood Park)

(Driveway is just south of 85082 S Willamette)

Whitney Randall from The McKenzie River Trust will be there around 2pm to talk about the neighboring 200+ acres behind our park that is now part of the Trust and take those interested on a short hike on the new property.

Come with:

- ✓ A smile and some food to share.
- ✓ A favorite drink
- ✓ A chair, blanket or cushion to sit on

SBNA will provide paper plates, forks, knives, cups and more smiles.

While you're visiting our beautiful little park you will notice that some cleanup has been done.

Thanks to **Wildwood Forestry** for removing the dead trees, cleaning up the blackberries and bringing the park back to life
