Brush clean up initiative was a big success, 3 dumpsters filled.

Park – wildwood forestry people Ian and Matt, cleaned park at no cost.

Park – brush collection ignited new interest in use of the park with inquires on whether it could be used by individual members. Discussion of allowed uses of park, liability, group agreements. Doug to talk to Rachel about liability risk.

Picnic on June 1st 1:00 – 3:00: Mikenzie River trust will be onsite to offer tours of their property next to the park. Picnic preparation includes cleaning the tables. Maureen can't coordinate organizing the picnic, Doug, Michelle, Kerry, and Chris volunteered to help, Maureen will send email reminding members of the picnic. No BBQ at the picnic, it will be potluck.

Althea Sullivan is the fire marshal for our area. Neighborhood groups will be responsible for delivering the information that Althea has shared. Althea said evacuation messaging best received by Lane Alerts.

Advertising vs neighborhood help – Facebook remains recommendation engine. Bulletin board, can be anyone. Keeping bulletin board as anyone and will review as needed.

Website: 5 people have emailed website asking about neighborhood groups and scotch broom. When Scotch broom is bright yellow cut it to kill it.

Members only section will be done within the next week or so. Easy for names on constant contact list. In the last 90 days 192 unique visitors last month 118. 78% of visitors are direct visitors.

Doug is hosting the summer wine tasting – asked for counsel on what to do.
